## RNA SOCIETY Small Meetings Support Application

5) The **RNA SOCIETY** promotes ethnic, gender and geographic diversity. Please share how the meeting organizers plan to ensure that invited speakers and abstracts selected for oral presentations reflect the diversity within the disciplines represented at the meeting. Examples of such information could include the gender distribution of invited speakers and session chairs, or efforts being made to increase participation at your event by women and under-represented scientists.

6) The **RNA SOCIETY** requests that Small Meetings Support funds are used for the travel and/or registration costs of trainees, or as prizes in recognition of scientific excellence by junior researchers. Please describe how the meeting organizers plan to use any funds provided by the **RNA SOCIETY** .
